

PUBLIC NOTICE

INVITATION TO 4TH GHANA RENEWABLE ENERGY FAIR (CONFERENCE & EXHIBITION), 9TH–11TH OCTOBER, 2018

The Ghana Energy Commission is organizing the 4th Ghana Renewable Energy Fair (Conference & Exhibition) at the Accra International Conference Centre from 9th to 11th October, 2018 under the theme: "Renewable Energy; Exploiting Energy Resources at the District Level". The Conference and Exhibition will run concurrently for three (3) days.

Companies and businesses that operate in the renewable energy industry are therefore encouraged to participate in the upcoming conference and exhibition in order to promote their businesses and facilitate their networks with other players in the industry.

Attached is a brochure detailing the various options available to companies interested in exhibiting and participating in the Fair.
